Walk into any other studio in NE Kansas or NW Missouri and you will understand why clients always come back to Rox's

-The best Outdoor Studio in the Area - PERIOD!

Props and sets that go on endlessly, from traditional to wow! - inside and outside - that you will only find here!

Why? Because we create ideas, design and build the sets and know how to use them.

Our portrait park is where we really shine with dozens of outdoor sets including five bridges, creek with a waterfall, brick and stone walls, water fountain plaza, country and Victorian porches, Mexican cantina, cabana, beach, fences, barn, hammock, rope swing, unique benches and chairs, Victorian lamppost, courtyards, vast variety of trees, flowers and much, much more!

See more of the images created at our portrait park at -
